Re: Religious Exemption

I, _____, being the legal guardian of _____, object to the immunization requirements outlined by the Department of Health of the Commonwealth of Pennsylvania as defined in 28 PA. CODE Chapter 23 on the basis of my religious beliefs.

§ 23.84. Exemption from immunization.

(a) Medical exemption. Children need not be immunized if a physician or the physician's designee provides a written statement that immunization may be detrimental to the health of the child. When the physician determines that immunization is no longer detrimental to the health of the child, the child shall be immunized according to this subchapter.

(b) Religious exemption. Children need not be immunized if the parent, guardian or emancipated child objects in writing to the immunization on religious grounds or on the basis of a strong moral or ethical conviction similar to a religious belief.

Sincerely,
